

Homework 4: Lateral Inhibition (18 points total)

Psych 186B

Due: 11:59pm, Sunday, Feb. 12, 2014

Please replicate results (with your own coding) in Figures 4.19, 4.20, 4.21, 4.22, 4.23, 4.26, 4.27, 4.28, and 4.29. You can choose to plot your results in MS Excel. (2 points each)

(Note: You are NOT required to plot your graphs in exactly the same way as those shown in the textbook. What is important is that your graphs show similar result patterns as the textbook figures.)
